INTRODUCING THE NEW

MG4 EV

AN EVOLUTION OF THE REVOLUTION

The all-new MG4 EV evolves our award-winning hatchback formula with refined handling and updated tech. For thrill seekers, the dual-motor MG4 EV XPOWER brings elite performance to the everyday, offering incredible acceleration in a stealthy, sophisticated package.

10-80% in under 30 minutes*

64kWh battery

Up to 452km of range‡

* Estimated CCS Public Charge Time (10% to 80%) / Mins @25°C ‡ On Essence 64 model only

SPACE & COMFORT

An interior that matches capability. Each MG4 EV adopts the design off our ever-successful MGS5 EV with an improved interior, updated technology and a more refined finish throughout. Plus, actual physical buttons for your climate control for even greater accessibility.

- HEATED FRONT SEATS AND STEERING WHEEL
- UP TO 1165L OF BOOT SPACE
- DRIVER FOCUSED INTERIOR

Overseas model displayed above

GENEROUS SPACE

Experience a cabin that prioritises passenger legroom and versatile storage. The 350-litre boot provides ample space for daily use, growing to 1,165 litres for larger hauls. Every MG4 EV is finished with dedicated storage compartments, ensuring there's space for everything.

Overseas model displayed above

COMFORT WITHOUT COMPROMISE

Settle into heated front seats and a heated steering wheel, designed to take the chill out of winter drives. Finding your perfect position is easy with 6-way electronic seat adjustment. For your soundtrack, a 6-speaker audio system provides clear, immersive sound, while integrated storage keeps your essentials secure.

PHYSICAL BUTTONS

Physical buttons control the main functions making it tactile, easy and safe to operate on the move.

GO THE DISTANCE. THEN GO FURTHER.

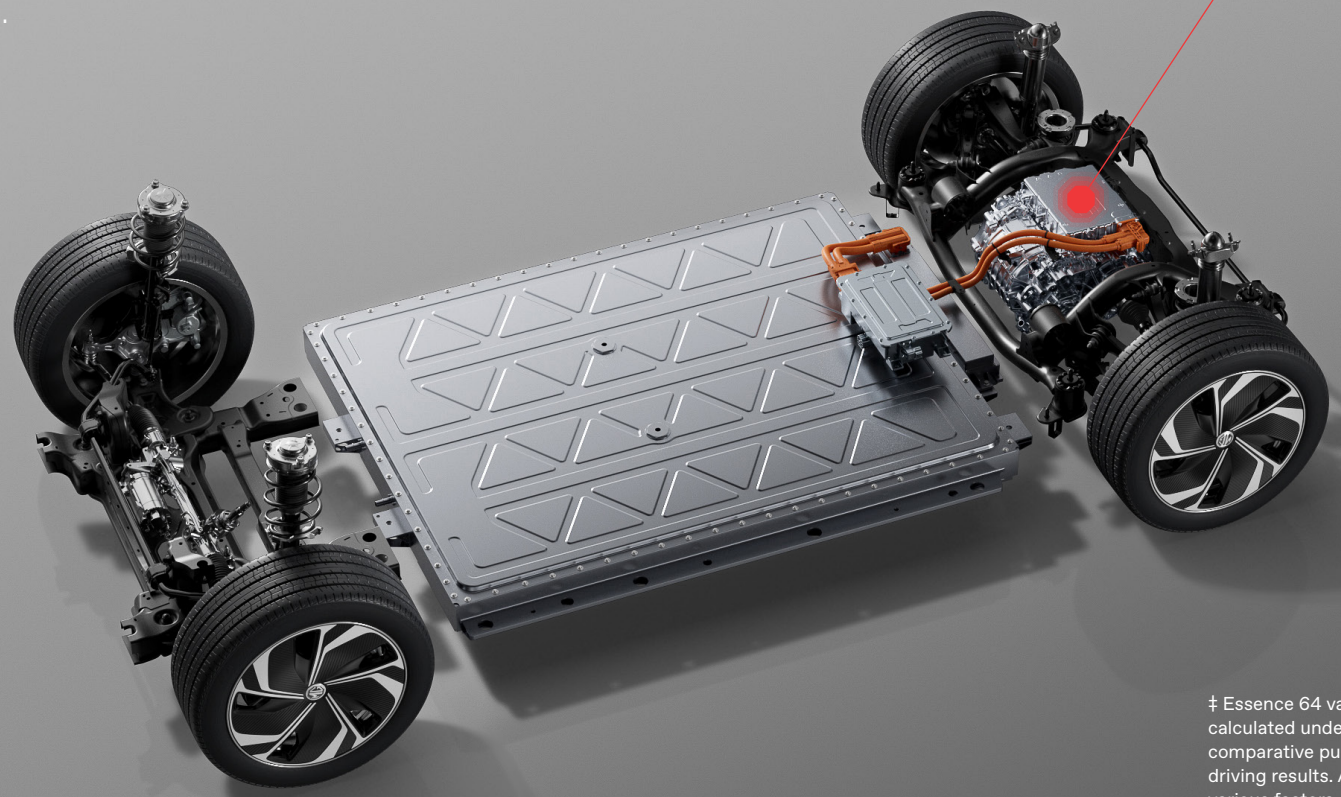
Up to 452km‡ of range means you are free to roam without any worry. Plus, with a standard heat pump protecting your range in colder weather, you're good to go all year round.

RAPID CHARGING

With DC rapid charging, you can charge the MG4 EV battery in under 30 minutes^.

452km‡ Range (WLTP)

THE MODULAR SCALABLE PLATFORM (MSP) PAIRS SEAMLESSLY WITH THE ULTRA-THIN 64KWH BATTERY TO UNLOCK UP TO 452KM‡ OF RANGE.



‡ Essence 64 variant. Range figures provided are calculated under test conditions. These figures are for comparative purposes only and may not reflect real-life driving results. Actual range may vary depending on various factors such as weather conditions, driving styles, vehicle load, and accessories fitted post-registration. ^10-80% charging time applies toa 150kW Ultra-Fast charger under standardised test conditions. Charging times in real world conditions will vary dependent on a number of factors, including but not limited to the age of battery, charging conditions, temperature and the existing charge of the battery, charger used and duration of charge. Charging times will be increased when using chargers of a lower capacity. Availability of 150kW-capable chargers may be limited depending on your location.

REAR WHEEL DRIVE

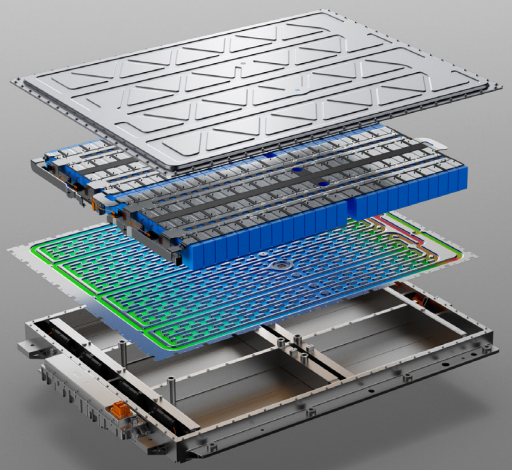
Rear Wheel Drive (RWD) give you the perfect balance of dynamic yet composed control on the road.

OUTSTANDING EFFICIENCY

Each new MG4 EV has an integrated thermal management system and heat pump, intelligently managing heating and cooling whilst minimising overall energy consumption.

ONE PEDAL DRIVING MODE

The MG4 EV features 5 regenerative settings, including one-pedal driving, which recovers energy with quiet efficiency.



INTUITIVE TECHNOLOGY

Stay connected and clutter-free. With seamless smartphone integration and a crystal-clear display, the MG4 EV keeps your world at your fingertips. Need to charge? Use the downtime to scroll TikTok or stream YouTube directly on the infotainment screen.

- 12.8” HD INFOTAINMENT SCREEN
- 10.25” VIRTUAL DRIVER DISPLAY
- WIRELESS CONNECTIVITY AND PHONE CHARGING

12.8 INCH HD TOUCHSCREEN

Technology that just clicks. The high-def 12.8-inch touchscreen and 10.25" Driver Display work together in perfect sync, giving you all the info you need through a simple, intuitive layout.

QUIET PROTECTION

Safety is the foundation of each MG4 EV, with a 360° Camera equipped for total visibility. Whether you are navigating tight city streets or tucking into a tricky parking spot, you'll have a bird's eye view of everything around you. Providing total confidence comes as standard.

WIRELESS CONNECTION

Wireless connectivity for Apple Carplay ® and Android Auto™ is standard across the range. The MG4 EV integrates apps effortlessly so Spotify, Amazon Music, Youtube and TikTok are ready to entertain whilst your mobile device wirelessly charges*.

PILOT

DRIVER SAFETY TECHNOLOGY

SILENT PROTECTION

You cannot predict city traffic. But you can always be better prepared for it. Each MG4 EV comes equipped with our dynamic MG Pilot ADAS system, as well as 6 airbags as standard. Total peace of mind.

MG Pilot is an advanced suite of driver assistance

systems to anticipate what lies beyond your sightline and the Custom function allows you to personalise your preferred settings and recall them easily with each drive.

Active Emergency Braking, Lane Departure Warning, Adaptive Cruise Control, and Blind Spot Detection all monitor vigilantly with your safety in mind, allowing you to focus entirely on enjoying the journey ahead.

MG4 EV ESSENCE 64

- RWD with up to 452km WLTP combined range
- 64kWh LFP (Lithium Iron Phosphate) battery
- 18" Alloy Wheels with Low Wind Resistance Aero Caps
- MG Pilot (including Custom Function)
- PVC Seats with Cloth Inserts Upholstery
- Full LED headlights, DRL, and Rear lights
- Rear Spoiler
- 10.25" HD Driver Display
- 12.8" HD Infotainment Touchscreen
- Satellite Navigation
- Wireless Apple CarPlay® and Android Auto™
- 6 Speaker Audio

XPOWER

- AWD with up to 405km of WLTP combined range
- 64kWh NCM (Nickel, Cobalt, Manganese) battery
- 18" 5-Spoke Alloy Wheels
- MG Pilot (including Custom Function)
- PVC Seats with Suede Inserts Upholstery with Integrated Headrest
- Drivers Manual Lumbar Support
- Launch Control and Electronic Differential System (XDS)
- 10.25" HD Driver Display
- 12.8" HD Infotainment Touchscreen
- Satellite Navigation
- Wireless Apple CarPlay® and Android Auto™
- 6 Speaker Audio

♯ Range figure is based on WLTP (Worldwide Harmonized Light Vehicle Test Procedure) static laboratory combined average city and highway cycle test. Figures stated for the purposes of comparison amongst vehicles tested to the same technical procedures only. Actual real world driving results will vary depending on a combination of driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions.

* 1 MG iSMART is provided as a complimentary service for the first 12 months from your purchase date of a new MG vehicle. After this period, you are responsible for payment of any service or licence charges MG may introduce. If charges are implemented, you will receive at least 60 days' notice
